WHO

Museum of California Design founder Bill Stern and designer Lisa Krohn reveal the building blocks of kid-savvv furniture.

WOW

Adults get to test-sit Krohn's

Surfboard. Meow, and Stingray (left) chairs.

An assortment of creative types. like Wikipedia founder Jimmy Wales, magician Ricky Jay, and

hold court.

designer Isaac Mizrahi headline.

For all who have been playing (and losing) The New Yorker's weekly cartoon contest, the magazine's cartoon editor, Bob Mankoff, will also be in the house.

Aside from the furniture, like Gregg Fleishman's Caterpillar rocking chair (right), and workshops, architects such as Frank Gehry will

Mayer Rus, House & Garden's design editor, takes on

vulgarity at his "Bad Taste" lecture.
